Hey Neighbor!

We are writing to you to let you know our agent found us a great buyer for our home; **WE ARE SOLD!** We couldn't have asked for a better team for our transaction - it went so smoothly!

Several of the neighbors sent us prospects, so thank you all. This is the most incredible neighborhood and we have enjoyed our time here immensely.

We promised our agent if they did a great job for us, we would send out their card to everyone. Thank you again and we wish you the best, we will miss this place.

With gratitude,

Nicholas Barbara & Leanne Sherred
